Why do we need your support?

My dear parish family,

Every three years we begin a new Thanksgiving, or Planned Giving campaign. This is the time when we reflect more consciously on the contribution we make to our parish family, by giving of our time, our talents, and our finances.

We know that we are blessed to live in this nation and at this time of relative prosperity. When we think of events like Brexit and the election of President Trump, of the terrorist attacks in Europe and the U.K., we realize that our world is somewhat unstable. Despite the scandal and horror of clerical sexual abuse, many in our church are working for transparency and reform, and our parishes are still vibrant places of worship and love.

We are blessed in our parish to focus on our fundamental calling as 'missionary disciples' of the Lord Jesus. We want to deepen our relationship with Jesus (evangelize), and we want to reach out to all who do not know him, especially the poor and needy (social justice). We are fortunate to have over 110 people experience the phenomenal Alpha programme [the best discipleship training I know]. And groups like St Vincent de Paul (who visit the needy in our area) and the MSC Mission group (who work to bring clean water projects to PNG and the Pacific Islands) keep those less fortunate than ourselves before our eyes [missionary outreach]. Our two employed pastoral workers are crucial: Barb has a gift for evangelization, and Anne for outreach, especially to the needy.

We have a beautiful church and facilities, and a great staff. We need to ensure that all our facilities are maintained and our parish efficiently run by our office staff, our leadership team, and our volunteers.

All these reasons are why we absolutely need to have a new Planned Giving Campaign. We know that God loves generous hearts, and that people want to support parishes that are doing good things to spread the Good News everywhere.

With gratitude to you all,

Fr John Rate msc
Parish Priest
